## MONTHLY HIGHLIGHTS DECEMBER 2021

### December is Identity Theft Awareness Month

#### Equifax - Helping Protect Seniors from Fraud and Identity Theft:

- Senior citizens' savings and good credit may make them more attractive to fraudsters
- Shame or embarrassment may prevent seniors from reporting fraud
- Educate the seniors in your life of the risks and steps they can take to help prevent fraud

### Cold Weather Resources

#### Heating Assistance / LIHEAP

The Low Income Home Energy Assistance Program (LIHEAP) helps families living on low incomes pay their heating bills in the form of a cash grant. Households in immediate danger of being without heat can also qualify for crisis grants.

**HEATER HOTLINE**

**(Energy Coordinating Agency)**

The Heater Hotline provides free repairs for income eligible homeowners with broken gas, oil, coal, or electric heating systems. This year round program can perform preventative maintenance and heater clean outs during the spring and summer months.
